Congratulations on your Blue Awards

Aanshi Bansal,
way to go above and beyond.

The Technology Community Office wants to thank you for your leadership and participation in the 2021 Advent of Code event and congratulate you on getting 2nd Place! Your efforts to challenge yourself illustrate your commitment to Amex Technology's principle of "Stay Current and Evolve".

Of the nearly 10,000 engineers at Amex, 200 joined the event and 50 participated in at least one challenge. Of those 50 participants, YOU are one of only three colleagues that were able to get all 50 stars. Additionally, by setting your sponsor code as you completed these challenges, you let the world see the kind of incredible engineers we have on #TeamAmex.

You've done an amazing job and set a standard for your colleagues to follow. Look forward to seeing you rise up the leaderboard again next year!

Thank you.
